

Proposed Waiting Restrictions Gorringe Park Avenue

ISSUE DATE : 8 APRIL 2011

Dear Resident / Business,

Over the years there have been numerous complaints regarding lack of parking for business customers on the section of Gorringe Park Avenue Between Heaton Road and Tynemouth Road, which has affected trade. As part of the decision made by the Cabinet Member for the Graveney Central Controlled Parking Zone, officers were instructed to review the parking situation outside the business premises during the first three months of its operation and give consideration to measures to improve parking for customers.

The Council is considering two options on how to manage parking provisions in this area.

Option 1:

- Two free regulated parking bays each on Heaton Road and Tynemouth Road.
- Unregulated parking in Gorringe Park Avenue.

Option 2:

- No parking restrictions in Heaton Road and Tynemouth Road.
- Free regulated parking in Gorringe Park Avenue between Heaton Road and Tynemouth Road.

All free regulated bays will operate between 9.30am and 7pm with a limited stay of up to 30 minutes, with no return within 2 hours. No Parking is permitted between 7am and 9.30am except for loading/unloading of goods for maximum of 20 minutes.

Please indicate which option you would prefer on the enclosed prepaid reply card. See the plans overleaf for details of the two options.

What happens next

A Notice of the Council's intentions to introduce the above measures will be published in the local Guardian, London Gazette and posted on lamp columns in the vicinity. Representations for and against the proposals described in this Notice must be made using the prepaid reply card, in writing to the Head of Street Scene and Waste Management Division, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX or email trafficandhighways@merton.gov.uk by no later than **06 May 2011**, quoting reference **ES/SGE/GORRINGE**. Objections must relate only to the elements of the scheme that are subject to this statutory consultation.

All representations along with Officers' comments and recommendations will be reported to the Cabinet Member for Environmental Sustainability and Regeneration for a decision.

Please note that responses to any representations received will not be made until a final decision is made by the Cabinet Member. The Council is required to give weight to the nature and content of your representations and not necessarily the quantity. Your reasons are therefore important to us.

A copy of the proposed TMO, a plan identifying the areas affected by the proposals and the Council's Statement of Reasons can be inspected at Merton Link, Merton Civic Centre, London Road, Morden, Surrey, SM4 5DX during the Council's normal office hours, Monday to Friday 9am to 5pm. This information is also available on Merton Council's website www.merton.gov.uk/wrsgorringe
